Write the message you actually want to

Then read it as if the person who wrote it

there's a real accusation in there that ne

paragraph that's only there because you

part. Keep the protest if the protest is va

boundary.

The edited version might be softer, but i

decide there's nothing useful to send. If

mean tomorrow. And if somebody needs

the protection.

After that, go back and read the first ver

who wrote it? What were they trying so f

the first draft is where the clearest prote

take care of whoever had to write it.
