

a AI Highlight ▾

Write It. Don't Send It Yet.

Write the response you actually want to

Now read it as somebody who is on the v

confusing, but don't erase a real protest

responsibility really is yours, keep that t

answer at all. "I need some time. I'll giv

that promise. If protection is needed no

Then stop editing and read the first draf

never send a word of that version, but yo

them, or help with whatever actually nee

childish.
